FRONTEND
DEVELOPER

Creative Frontend Developer with a long background in hospitality and a strong interest in graphic design. I really enjoy creating stylish, user-friendly web solutions and thrive when I get to collaborate in a team, solve problems, and build cool things with code.

SOFT SKILLS

- Solution-oriented & adaptable
- Team player & communicative
- Responsible & independent
- Curious & always eager to learn
- Used to a fast-paced environment & quick problem-solving

HARD SKILLS

Frontend: **HTML, CSS, JavaScript, TypeScript, React, Vue, responsive design, web accessibility.**

Backend: **Node.js, MongoDB, SQL, JSON, APIs.**

Tools & workflows: **Figma, Canva, CMS, GitHub, pair programming, mob programming, agile development.**

WORK EXPERIENCE

WEB DEVELOPER FREELANCE

Novads Digital | nov 2024 – march 2025

- Created a custom WordPress website using Elementor based on their design and vision.
- Optimized for responsiveness, improved content structure and aligned the site with the company's focus.

WEB DEVELOPER INTERN

PGM, Stockholm | june 2024 – july 2024

- Developed the company's new website with a focus on user experience, deepened my knowledge of WordPress as a CMS and strengthened my skills in problem-solving and coding.
- Worked closely with designers and developers to improve team communication and workflow.

DIGITAL DESIGNER

Bode Clinic, Manchester | feb 2021 – july 2023

- Crafted visually appealing posters, flyers, roll-ups and enhanced the overall branding and marketing efforts of the clinic.
- Designed engaging content for the clinic's social media platforms
